

## Trauma Healing heals wounds, restores relationships

Beneficiaries of the Trauma Healing (TH) sessions organised by The Bible Society of Nigeria have continued to commend the Society as their emotional wounds were healed and soured relationships with both God and man restored.

The participants of different categories who took part in the TH sessions carried out this year shared how they were relieved of their hurts, pains, and wounds.

Taiwo Gabriel, a youth; Tope Oyinlola, a schoolteacher, Julie Atoyebi, a missionary, and Mrs. Ifeoma Musa (not real name) were unanimous in their submissions that the TH helped them deal with the problem of unforgiveness.

According to Atoyebi, the TH helped her to get off the hook of unforgiveness which she had struggled with for many years. "Coming to the training of Trauma Healing programme made me see the hold that unforgiveness can have on a person," she said, adding that going through the practical session where people were tied together and to see how difficult it is to move around in such position opened her eyes to how terrible unforgiveness is.

"Thank God for releasing me from those hurts and pains of unforgiveness. It has helped me to let go of things more easily than before," she said appreciatively. [Click here to continue reading...](#)

## BSN celebrates 2022 White Cane Safety Day with the blind

As part of her resolve to ensure that the word of God spreads to every stratum of the Nigerian society, The Bible Society of Nigeria (BSN) joined the blind in Lagos to celebrate the 2022 International White Cane Safety Day on October 5, 2022.

Selected staff members of the BSN served as volunteer guides during the five-kilometre walk organised by the Nigeria Association for the Blinds (NAB), Lagos State Chapter in commemoration of this year's International White Cane Safety Day themed: "Together Crossing New Boundaries."

The walk took off from the Abraham Adesanya area of Ajah and terminated at the Catholic Church of Transfiguration, Victoria Garden City (VGC), Lagos.

Apart from ensuring the safety of the blinds throughout the walk, the BSN also conveyed some of them from Ile-Epo, Abule-Egba to the venue of the celebration and brought them back.

Speaking at the event, the General Secretary/CEO of The Bible Society of Nigeria, Pastor Samuel Sanusi, who was represented by Mr. Christian Ifeanyi, Manager, Finance, said The Society partnered with the NAB to celebrate the annual International White Cane Safety Day as a way of spreading God's love among the blind.

He added that the special interest the BSN has in the members of the NAB informs why the Society does not only join them to celebrate the event every year but also ensures that they have access to God's Word in their heart language free of charge and organises Bible quiz to encourage them to interact with the Scriptures. The Society has donated 121 sets of Braille Bible worth over N6,000,000 to the blind across Nigeria as at September 30, 2022.

Barrister Lukman Salami, Chairman, the Nigeria Association of the Blind, Lagos State, lauded the BSN as the only corporate organisation that partnered with the association on the 2022 White Cane Safety Day.
